

Each student needs to carry an insurance policy that protects the horses you work with at school and the horses you practice with at home. If you already carry such a policy, check with your provider that you are covered during our classes as well.

If you need to start a new policy, ABMP provides our students with a free policy as a student of our school. Please register for this policy by the day before class begins. Here is how:

1. Go to [www.ABMP.com](http://www.ABMP.com)

2. Click the green button in the upper right-hand corner of the page: Account Login

### 3. Enter login information:

- Enter your email provided to ABMP in the box below Email Address.
- Enter your last name, with the first letter capitalized in the box under Password.
- Click Log In button below boxes
