

PAYING YOUR TUITION

Tuition for Module One is \$2200.

Here are different ways to send your tuition.

Bank Transfers, Western Union, Credit Cards, Priority and Insured Mail

=====

* BANK TRANSFER

Bank transfers are the most secure because your bank and our bank both have a record of you sending and us receiving the payment. Bank transfers usually cost \$10-15. These are reassuring for the sender and receiver.

Here is the info your BANK requires for a wire transfer. Email us that you have initiated a transfer and we will watch for it on our end.

* CREDIT CARD

We prefer PayPal because we have an account setup with them. Credit Cards are more expensive: \$2200 costs about \$75 to transfer, which you would add on.

$\$2200 + \$75 = \$2275$.

PayPal deducts the fee from the sent amount so when you send \$2275, we will receive \$2200. This is more expensive than bank wire or Western Union, but it is available as another option. :-)

* USPS MAIL

Check sent by mail = \$2200. The most inexpensive option, the cost of a stamp. You may want to send it PRIORITY MAIL or REGISTERED MAIL. That means the USPS can track it so it is safer.

If you have a nearby WESTERN UNION, you can do this either in person or online.
