

## ABMP Insurance

Each student needs to carry a liability insurance policy during their time with us.

- **Already have massage liability insurance?** If you are already carrying insurance, please check with your provider that it covers your work while attending school with us. If it does, please send an email to [office@equinenaturalmovement.com](mailto:office@equinenaturalmovement.com) to let us know.
- **Need insurance coverage?** The Associated Bodywork and Massage Professionals (ABMP) provides our students with a free policy while they attend our school. Please register for this policy **before** class begins.

Details are here: <https://www.abmp.com/students/insurance-massage-students>

To start a new policy with ABMP you need to:

- 1) Join ABMP as a member: <https://www.abmp.com/signup/email>

Start at that link by entering your email and setting up an account.

- 2) After you set up your account, you'll be able to log in and set up your insurance policy.

When setting up your free insurance policy, you'll need the following information:

# Hours for your study = 440 hours

Graduation date = 18 months\* from your start date for M1

Please send an email letting us know you have registered for your policy to: [office@equinenaturalmovement.com](mailto:office@equinenaturalmovement.com)

*\*ABMP will cover you for up to 1 year or when you complete your schooling (whichever comes first); since most students finish in 12 to 18 months, we suggest saying 18 months to cover for any extra time you may need*
